

Questions to Ask when Selecting a Supervised Fieldwork Placement (i.e., a workplace that will support you in your path toward getting your BCBA credential)

For detailed information on Fieldwork Requirements visit:

<https://www.bacb.com/bcba/>

1. What is the structure of your Supervised Fieldwork program?
2. Is there a Fieldwork coordinator for your organization and would I be working directly with that person?
3. Will I be able to accrue the maximum of 130 hours of Supervised Fieldwork per month? And will I have sufficient supervision to meet the requirements to count all those hours
4. Is it possible to meet the requirements for Concentrated Supervised Fieldwork through your organization?
5. Are there opportunities for paid Unrestricted hours? Are there ample opportunities for unpaid Unrestricted hours?
6. Does your organization have a relationship with graduate programs that provide employees with discounted tuition?
7. Does your organization have a tuition assistance or reimbursement program?
8. Does your organization offer a range of opportunities to participate, observe, or assist a variety of ABA services (e.g., assessment, parent training, coordination of care, consulting, staff training) during the Supervised Fieldwork experience?
9. Does your organization assist with record keeping and hours tracking for Supervised Fieldwork?
10. Do you have an organization specific contract for Supervised Fieldwork?
11. Am I contractually obligated to pay for the supervision I receive if I do not remain with your organization?
12. What is the average length of time it takes employees at your organization to accrue all the required hours of Supervised Fieldwork?
13. Does your organization offer opportunities to work with a wide range of clients and multiple supervisors?
